Book Details:

Review: David Eimers book The Emperor Far Away: Travels at the Edge of China discusses the issue of Chinas minorities in their various respective regions. Careful not to make any sweeping generalizations, Eimer traveled personally to each region to interview the respective members of the individual groups. Through a careful process of one-on-one interviews,...

Description: In 1949, Mao Zedong announced the birth of the Peoples Republic of China, a proclamation to the world that, after centuries of war and social conflict, China had emerged as one nation. Since then, this idea has been constantly propagated for the benefit of the international community. For many living in the vast country, however, the old Chinese adage...
